Quality, health and safety

Quality

Our quality policy covers design and planning through execution and maintenance. It focuses on understanding client requirements, meeting applicable standards and improving the consistency of our work.

The policy supports employee training, performance monitoring, internal audits and client feedback.

Health, safety and environment

Our HSE policy prioritises the health and safety of employees, subcontractors, clients and surrounding communities. It sets an objective of zero accidents, zero injuries and zero environmental impact.

It covers risk assessment, training, communication, resource use and continuous improvement.

Policy documents

Signed policies dated 04 February 2022 are reproduced in the appendix. The quality policy describes ISO 9001:2015 certification as a goal. Certification is not evidenced in the supplied file.

Quality Policy

At Arab Craft Contracting LLC, we are committed to delivering exceptional quality in every aspect of our theming and decorative finishes services. As a leading company in the UAE's theming and decorative finishes industry, we strive to exceed the expectations of our clients by providing innovative and aesthetically captivating solutions.

We are dedicated to maintaining the highest standards of quality in both our products and services. This commitment extends to all phases of our operations, from design and planning through to execution and maintenance.

To achieve this, we will:

- **Ensure Customer Satisfaction:** We are committed to understanding our clients' needs and delivering bespoke, high-quality solutions on time and within budget.
- **Adhere to Standards and Regulations:** Our processes and services comply with all relevant local and international standards, as well as environmental and safety regulations applicable to the UAE.
- **Pursue ISO 9001:2015 Certification:** We are actively working towards obtaining ISO 9001:2015 certification, which will further enhance our quality management system and demonstrate our commitment to maintaining internationally recognized standards of excellence.
- **Continuous Improvement:** We are committed to continually improving our quality management system, processes, and skills to enhance the efficiency and effectiveness of our work.
- **Focus on Employee Excellence:** We recognize that the competence and dedication of our employees are critical to our success. As such, we provide training and support to ensure they have the skills and knowledge required to perform their tasks to the highest standards.
- **Monitor and Evaluate:** We regularly evaluate our performance, conduct internal audits, and gather feedback to ensure we maintain consistent quality in all our projects.

Through these efforts, we aim to build long-term relationships with our clients and partners, foster a culture of excellence within our team, and contribute to the continuous development of the UAE's decorative and theming industry.

This Quality Policy is endorsed by the management of Arab Craft Contracting LLC, and we are committed to providing the resources and support necessary to uphold it.

Yours faithfully,
For and on behalf of Arab Craft Contracting LLC

Health, Safety, and Environment (HSE) Policy

At Arab Craft Contracting LLC, we prioritize the health, safety, and well-being of our employees, subcontractors, clients, and surrounding communities. As a leading company in the UAE's theming and decorative finishes industry, we are committed to providing a safe, healthy, and sustainable working environment across all our operations.

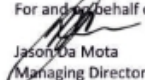

We aim to protect our employees and the environment while complying with all relevant regulations, standards, and best practices. An effective HSE management system is vital to our success and project outcomes.

To achieve this, we will:

- **Ensure Health and Safety:** Maintain a robust health and safety management system to minimize risks and prevent accidents across project sites and workplaces. This includes protecting both the physical and mental health of our employees.
- **Compliance with HSE Regulations:** Fully comply with all local, national, and international health, safety, and environmental laws. We will continuously adapt our practices to meet evolving regulations and industry standards.
- **Zero Tolerance for Accidents:** Strive for "Zero Accidents, Zero Injuries, and Zero Environmental Impact." We are committed to preventing accidents and ensuring safety protocols are followed rigorously.
- **Promote a Culture of Safety:** Foster a culture of HSE awareness across the organization, including continuous employee training, regular safety audits, and open communication on potential hazards.
- **Environmental Responsibility:** Minimize our environmental impact by implementing sustainable practices, reducing waste, managing resources responsibly, and using eco-friendly materials where possible.
- **HSE Risk Management:** Conduct thorough risk assessments for all activities and work environments and implement controls to eliminate or mitigate hazards. We will continuously improve risk management procedures.
- **Employee Involvement and Training:** Provide employees with the training and resources necessary to always understand and follow safety protocols and environmental practices.
- **Continuous Improvement:** Continuously improve HSE practices by reviewing performance, seeking feedback, and conducting audits. Lessons from incidents will be used to enhance safety and environmental procedures.

This policy is integral to our operations, and management at all levels is committed to enforcing it and ensuring the protection of our employees, the environment, and the communities we serve.

Yours faithfully,
For and on behalf of Arab Craft Contracting LLC
